LOCAL UNION GUIDELINES

Conference Participation Guidelines

The following information is provided to assist local unions in processing the **UAW International Women's Conference** registration. These guidelines should prevent misunderstandings regarding delegate selection and local union financial obligations.

The **International UAW Women's Conference** will offer three educational tracks: (1) Emerge (for those beginning their activist journey), (2) Ascent (for developing leaders who are ready to grow their influence), and (3) Forge (for experienced bargainers and negotiators).

2025 UAW INTERNATIONAL WOMEN'S CONFERENCE

This conference is open to *all women and all UAW members* interested in supporting women's advancement within our union. We encourage each local to select participants at their own discretion. This is not a restricted event—nor are we prescribing who should or should not attend. Rather, we are offering an opportunity for locals to make thoughtful decisions based on their membership and engagement goals.

This event is designed to foster connection, education, and empowerment among UAW women. It offers a valuable chance to build and strengthen women's committees, network across regions and sectors, and focus on the critical work of developing, retaining, and uplifting women in the workplace and the labor movement.

REGISTRATION

Registering for the conference and registering for the flight are separate processes. It is recommended that you receive an approval email that you are registered for the conference first, before the booking of hotel and travel.

CONFERENCE REGISTRATION:

Registration for the event will be done through LUIS by selecting under the 'Conference' tab. Pre-registration will be open from May 26, 2025, until July 11, 2025. The conference registration fee is **\$375** per participant and must be paid by local unions using ACH. Local unions will pay online through LUIS by choosing 'Women's' then 'Women's Payment' option under the 'Conference' menu.

Self-Pay Conference Registration Process:

We understand that many members are eager to attend the upcoming conference. While many locals may cover the cost for their members to participate, some may be unable to do so. For delegates whose locals are not able to cover expenses, and who wish to attend at their own cost, self-payment is an option.

If you choose to pay your way, please be advised that you are responsible for all associated expenses, including registration, travel, lodging, and meals.
