

UAW Local 774

## Union Update

President Wence Valentin III

December 9, 2022

Brothers and sisters of UAW Local 774 please join me in congratulating our Financial Secretary Treasurer, Cleveland Jones Jr., on his appointment to the UAW International Staff as an International Auditor.

As a union brother and a respected colleague, he is considered a part of my family. Although I am sad to see him leave, I am extremely proud of the professionalism he brought to the job ensuring not only the integrity of the office but the trust of the membership. The leadership of UAW Local 774 is proud to support him in his new position.

John Orsini will act as interim Financial Secretary Treasurer as Chairperson of the Trustees He has experience in the position and is well trained and trustworthy. We can be assured that he will do his very best for the membership of UAW Local 774.

As the President of UAW Local 774, I know how fortunate we are to have such capable union brothers to represent the membership in the best way possible. The election committee has been notified and will set an election date to fill any vacancies on the Executive board for the remainder of this term.

In Solidarity,  
Wenceslao Valentin III  
President, UAW Local 774
